Kristin K. Mayes,

As you campaign for your upcoming election I want to explain how you will get my vote. I want you to grant the Certificate of Convenience and Necessity to Rhodes Homes.

I am a resident of Mohave County, I am a regular voter, and I am a supporter of Rhodes Homes. I want this planned community in Golden Valley because I understand the long-term benefits that it will bring to all of Mohave County.

I do not believe the rumors of our water running out on us. I see water all over our county and I see it shipped to Phoenix. I think that we should be able to use our own water. We should see those benefits.

I have voted for you in the past and I hope that you give me a good reason to vote for you again this election.

Sincerely,
